"We are excited to be able to open for Mother's Day and provide visitors to Niagara Falls the most unique view of the globally renowned waterfall," says Mory Di Maurizio, Chief Operating Officer of [City Cruises in Canada](https://niagaracitycruises.com). "Our crew is geared up and ready to help our guests create more amazing memories from in the mist!"

The 20-minute Voyage to the Falls boat tour sets sail every 30 minutes and brings guests on the journey of a lifetime. Enjoy stunning views of the Niagara Gorge, American Falls and Bridal Veil Falls, and come face-to-face with the famous Canadian Horseshoe Falls.

Feel the thundering roar, awesome power and amazing mist (a protective recyclable mist poncho is provided) that come along with these natural wonders.

"The Voyage to the Falls is a truly iconic Niagara Falls attraction, rated as Canada's top visitor experience," says Mr. DiMaurizio. "The past two years have been particularly challenging for the tourism industry. It is encouraging to see some steps towards stimulating the tourism experience not just in Niagara, but across Ontario and Canada."
