It's even more memorable from the deck of a Niagara City Cruises catamaran at the base of the Horseshoe Falls. After a two-year hiatus because of pandemic restrictions, the stunning Falls Fireworks Cruise returns this weekend.

"There are few experiences like that of seeing the Falls up close at night, with the sight of exploding fireworks over the brink," says Mory DiMaurizio, Chief Operating Officer of Niagara City Cruises. "It makes for a magical outing in the mist that won't soon be forgotten."

Starting Saturday, May 21st, the Falls Fireworks Cruise will run every Saturday until June 11th. Weekend Falls Fireworks Cruises will run June 18th to 20th and June 25th to 27th. The cruise will run daily from June 30th until Labour Day.
