

Save up to 40% on cruise excursions with Venture Ashore

Venture Ashore's Essential Collection provides travelers with cruise tours without the cruise line prices

New York, July 2023 – [Venture Ashore](#), is the world's largest independent shore excursion company, offering guests a back-to-ship guarantee, don't port – don't pay security, flexible payment options and high-quality experiences, including a curated selection of immersive, proprietary tours through its exclusive Essential Collection. Through its Essential Collection, travelers can save up to 40% compared to cruise line prices.

Venture Ashore provides experiences for cruise travelers to help them connect and discover more ashore, by featuring top attractions in many ports in Europe, the Mediterranean, Alaska, the Caribbean and Asia. The Essential Collection is personally curated by Venture Ashore's seasoned cruise team with expert local guides and comfortable transportation.

Rinat Glinert, Chief Operating Officer, Venture Ashore, says: "At Venture Ashore we want our travelers to have the greatest variety of experiences ashore, for the best value possible. Our Essential Collection captures these key selling points and provides peace of mind for travelers, as we offer a back-to-ship-guarantee so they never have to worry about not making it back in time after their excursion to board the ship, which is a key concern for cruise travelers. Venture Ashore prides itself on being better value for money in comparison to cruise liners without compromising on the level of service and our tour offering."

Booking a cruise excursion with Venture Ashore enables travelers to have a well-designed itinerary, allowing travelers to relax knowing that their tour schedule has been curated to fit their ship itinerary as well as visiting top attractions at a discounted rate in comparison to standard cruise line sightseeing tours.

Venture Ashore can offer shore excursions with many cruise liners including Royal Caribbean, P&O Cruises, Princess Cruises, Celebrity Cruises, MSC Cruises and Norwegian Cruise Line.
